Audience Comments

Public Comment time is set aside for citizens to address the Fire Board on matters within the jurisdiction of the district. Each speaker is allocated three (3) minutes to speak. Speakers may not cede their time to another speaker. The Fire Board can only act on matters that are on the agenda, but may place matters brought to their attention at this meeting on a future agenda for consideration. If you have documents to present to the Fire Board, please provide a minimum of seven (7) copies. In an effort to allow for a response to the comment, district personnel will prepare responses to public comments, if comments are provided to the District's Administrative Assistant at least 48 hours prior to the scheduled meeting. You can submit your comments in writing or email. Please submit comments no later than close of business two days before the scheduled meeting. Submissions should be addressed to District's Administrative Assistant at the following email address; aa.mercer@craigfirerescue.org or drop your written comments at the fire station during regular business hours. Please make sure that your name, address, and phone number are included with the comment submitted.
